

HELLO, WORLD.

I'm Majd Atyyat.

FULL- STACK DEVELOPER

About

Let me introduce myself.

Just because you invested so much into one thing, doesn't mean you have to devote your entire life to it. Even though pharmacy was tough to get into, but I still made the decision to change careers when I found a new passion and skillset elsewhere.

Education and experiences

2022 - Present

web developer Trainee

Internship with Orange Coding Academy
